

# DIVISION OF FISHERIES & WILDLIFE

Jack Buckley, Director

**Addenda No. 1:** Project DFW-2017-024: Stump Grinding, Grading, and Conversion of Abandoned Fields to Native Warm Season Grasses at the Frances Crane Wildlife Management Area, Falmouth, MA

Issue Date: March 13, 2017

Bidders are hereby notified of the following changes to the bid documents for the above referenced project.

1. The mandatory bidder's conference scheduled for Tuesday, March 14<sup>th</sup> has been re-scheduled due to weather. The new bidder's conference is scheduled for **Thursday, March 23, 2017 at 11:00 am**. It is mandatory for all Contractors to attend a bidders' conference prior to submitting a bid. All other bid conference requirements remain unchanged.
2. Revised Bid Opening Date: Sealed Bids must be received, in writing, no later than **2:00 pm on Thursday, March 30, 2017**, at which time they will be publicly opened and read.
3. Replace the timeline section for Component 1 with the following:

#### **Timeline**

- Component 1: Stump Grinding and Grading of firebreak and adjacent woods roads  
Completion desired, but not required, on or before **April 14, 2017** due to Natural Heritage and Endangered Species restrictions at this site (see Figs. 1-3). Completion required on or before **June 30, 2017**. Contractor shall coordinate with MassWildlife staff who will provide monitoring for state-listed species of concern along firebreaks and woods roads for all work under Component 1 between **April 15, 2017 and June 30, 2017**.
- Component 2: Abandoned Field Restoration – No Changes
